

**To: All GEC Team Members, Directors, Board Advisors,
and Founding Members**

We are pleased to announce that the GEC 1st Annual Meeting will be held on May 27, 2024. This year's theme is "**Looking Ahead: Shaping the Future.**"

Details:

Date: May 27, 2024

Time: 10:00 AM - 4:00 PM

Venue: 12 Marina View Level 11, Asia Square Tower 2, Singapore 018961

Agenda:

1. Opening Remarks
 - Welcome by the President
 - Overview of the meeting agenda

2. Keynotes Address
 - Vision for the Future: Pathways to a Sustainable Green Economy
 - Topic: GEC's Role in Shaping an Inclusive Green Expertise Ecosystem
 - Discuss the "HOW" of GEC as a platform for addressing asymmetric information.
 - Highlight the systematic convergence of GEC's leadership, strategic partnership building, resources and support needed for the next stage of development (such as GEC x NTUC).

- Emphasize the council's mission to elevate environmental awareness, empower skills and competency, and ensure high standards of environmental stewardship.

3. Panel Discussion

- Topic: Fostering Green Talents for a Sustainable Future
 - Explore how GEC's insights and market acumen can influence the development of green expertise.
 - Discuss strategies for integrating sustainability education into the core frameworks of industries and regulatory bodies.
 - Highlight GEC's role in connecting and positioning green talents to lead the charge towards a sustainable future, accelerating Singapore's transition to a green economy, and establishing it as Asia's Green Hub.

4. Strategic Planning Session

- Setting priorities for the coming year
- Identifying key opportunities and challenges

5. Closing Remarks

- Summary of the meeting outcomes
- Call to action

Attendance is **mandatory** for all GEC team members, directors, board advisors, and founding members. Your presence and participation are crucial to the success of our mission.

Please ensure you arrive on time and prepared to engage in meaningful discussions as we chart the course for our future endeavors.

Sincerely,
Green Expertise Council (GEC)
